Sauna

- The building belongs to a private owner.
- The owner is an Englishman who has not responded to the municipality.
- The sauna was built in the 1950s.

Before the waterpark

- Instead of the Tervisekoda was the Suure-Jaani Kultuurimaja, behind the building were the auxiliary buildings and a garden.
- It has belonged to a number of private owners, there was also a so-called department store (shop). The rural architect wanted to maintain the size of the facade, but this plan was later abandoned.

Waterpark

- Today, this area has a magnificent waterpark.
- The waterpark was built in the years 2018-2019.
